

BISHOPS ODU NEWS

28th October 2016

Dear ODs

MENTORING PROGRAMME MERIT

With nearly 300 OD Mentors covering over 90 occupations and disciplines, ODs looking for advice and guidance have a broad array of help to leverage. ODs are encouraged to make use of the support and experience of mentors as they navigate the challenges and complexities of their world of work and careers. Whether this is about a change of direction, making a decision about which opportunities to explore or even about relocation, OD mentors stand ready to assist. Both mentors and mentees who have made use of this programme have nothing but praise for the benefits. To request a mentor - or volunteer as one - please use this link: <https://form.jotformeu.com/61863512428356>

Any OD who finds himself in London on Thursday 1st December is invited to join the UK ODU year-end drinks. This party is being hosted and part-sponsored by Hamish Sinclair (1992S) a partner at Stonehage Fleming. Please RSVP: <https://form.jotformeu.com/62702030344341>

COMMUNIQUÉ

WP van Zyl (1997K) now has an e-mail address which is wpvanzyl@bishops.org.za and his direct telephone number is 021 659 1995.

RETORTS

Recollection

Simon Poole (Staff) wrote in to say, "It is great to hear news of ODs, particularly ones I knew. After seeing last week's newsletter, I realised that I taught WP van Zyl, Paul Burton, Stef Rohrer and Scott Ramsay Biology and coached them in either Rugby or Basketball."

Sad to hear...

Liz and John Ackerman (1954O) were very sad to hear that Sam Sawkins had died. John and Sam were at school together from kindergarten to matric. They had lost touch with him over the years, and his two children. John writes, "Sam was a most entertaining person and we will miss knowing that he is no longer in Virginia, sailing his boat on the Chesapeake Bay."

John Midgley (1952G) wrote, "I am extremely sad to hear of Sam's passing as he always gave the impression of being a survivor. He was an excellent all-round sportsman. We played together in the backline and a notable effort was to win the Newlands inter-varsity

against the Maties in 1965, during varsity's lean years. I wish his family well."

FEAT

Stuart Bristow (2014K) has been very busy competing internationally for the South African Sprint Canoeing Team. Following on from receiving his U18 SA Junior Protea Colours whilst in Matric, he was awarded U23 Colours in 2015 and now Senior Men SA Colours in 2016. He competed in the World Marathon Championships in Oklahoma in 2014, the World Marathon Championships in Portugal in 2015, the World Cup Canoe Sprints in the Czech Republic and the European Canoe Sprint Olympic Qualifier in Duisberg this year. Stuart has set his sights on Tokyo 2020 so that is keeping him focused!

GIVING BACK

From the 7th to 14th April 2017, Adrian Kritzinger (2006F) together with a number of others will be running from Johannesburg to Cape Town in a 24/7 relay covering over 1520km's, in 7 days, with the final leg being the Two Oceans marathon in Cape Town. This is in aid of supporting the MAD Leadership Foundation which selects amazing, talented and underprivileged students with leadership qualities and funds them from Grade 8 to the end of their tertiary education. Most importantly, the programme also acts as a mentorship programme with the end goal of these young students being that they too are able to give back and inspire in a similar way. Adrian is inspired by this initiative, and having been fortunate enough to attend school at Bishops, he would like to 'give back.'
